

PRIVACY POLICY

Personal information is information through which a natural person is identifiable or may be identified. For the purpose of GDPR regulations we are the data controller. Data that we collect from you is processed by staff who work either for us or for one of our service providers. All information provided to us is stored on our secure services and any payment transactions will be encrypted. We take all steps reasonable necessary to ensure that your data is treated securely and in accordance with this Policy

Minder Security & Fire Ltd are committed to protecting your personal information and respecting your privacy. This statement outlines Minder Security & Fire Ltd.'s current policy regarding privacy and demonstrates its commitment to protecting your personal data.

You can visit our website without revealing any information about yourself, except where you voluntarily choose to give us your personal details via e-mail or by enquiring about any of our services. On our website you control your personal information. We may change the content of the website and the services we provide at any time without notice and consequently this privacy statement may change in the future.

When Minder Security & Fire Ltd collects personal data, such as your name, postal address, phone number, email address then this information is used exclusively by Minder for providing the services you have requested and for legitimate business purposes. Minder will not pass on any of your personal data to outside organisations and/or individuals, except with your express consent or unless specifically compelled to do so by law or court order

We may disclose your personal information to third parties to any prospective seller or buyer in the event that we sell or buy any business, assets or shares

You have the right to know about the personal information Minder Security & Fire Ltd holds about you. You also have a right to have your data corrected or deleted. Please address all requests concerning personal data to info@mindersecurity.co.uk

Personal information you provide to Minder Security & Fire Ltd is only kept for as long as it is reasonably necessary for the purposes for which it was collected, taking into account our need to comply with contractual obligations or comply with legal requirements. All reasonable steps are taken to protect all collected personal data and all off-site back up data is Firewall protected and encrypted using compliant software
